Helping Veterans And Families

HVAF of Indiana, Inc. houses, supports, and advocates for all veterans and their families to help them achieve the best possible quality of life.

Started in 1993, the organization serves veterans and their families through many programs and services, including: housing, case management, employment, food and clothing pantries, and more.

Hotel Tango Artisan Distillery's Founder and CEO, disabled U.S. Marine Corps veteran Travis Barnes, started Operation Alpha in 2014, as a way to raise funds for HVAF's operations, programs, and services.

Come join us for an evening filled with Hotel Tango spirits, food from local restaurants, live music, and supporting Indy's veterans.
